Well being at Larkholme

We are constantly looking for ways to improve and promote well being at Larkholme.

This term we have:

- Added a well being section to our fortnightly newsletter.
- Added weekly well being advice to our Facebook and website pages.
- Created our well being display.
- Had training delivered by students from Cardinal Allen for our Anti Bullying Ambassadors.
- Opened Lucy's Memorial Area as a community.

We hope to keep you regularly updated on how well being is supported at Larkholme.

FTC HeadStart.

We had a very exciting visit this term with English Football League and ITV in school to do some filming and interview staff and Y6 pupils about the HeadStart transition program and it's impact on well being and mental health. We had visits from Josh Vela and Shaun Rooney who answered questions about how they manage their well being.
