

# Year 3/4 Spring Term

## English

This term we will be using the books:

- Winter's Child
- The Selfish Giant
- The Mysteries of Harris Burdick
- How to live together

We will produce a wide range of writing including letters, stories, information texts and retellings.

## Maths

This half term we will explore multiplication and division and will apply this to our times tables. We will then move onto looking at measurement including length and perimeter.

Following these units, we will look at fractions including fractions of shapes, amounts and numbers.

Year 4 will continue to practise their times tables daily in preparation for the Year 4 times tables test in June.

## Science

In Science, we will be learning all about forces and magnets where we will explore a variety of magnetic items. We will also look at force meters and the force required to move an object. We will then be learning about light. Within this unit we will learn about shadows and the effects of UV rays.

## History

This term we will be learning about Britain's settlement by Anglo Saxons and Scots. We will explore the chronology of events and will compare and contrast the life of the past to the current day.

## PSHE

We will explore relationships and appropriate touch. We will also discuss being home on time and the importance of this.

## Home Learning

- Spelling on Edshed in preparation for weekly spelling test
- Reading (5 x per week)
- Nessy
- Number fluency - Edshed
- TT Rockstars - Times tables

## Art/DT

We will be exploring the topic of printing. Within this unit we will explore and develop the skill of monoprinting whilst exploring African designs. We will produce and print onto a range of surfaces. In DT, we will be exploring various shell structures. We will explore different types of packages and their suitability for products.

## Computing

This half term, we will learn about keeping ourselves safe online, editing digital images and explore fake and real images. We will also explore data logging and will be analysing data.

## PE

This term, our units include dance, invasion games and net and wall activities.

## MFL

In French, we will begin asking questions involving numbers and will construct sentences from this.

## Music

This half term, we will be composing pieces using our imagination and will share our musical experiences.

## RE

**Sikhism** - We will explore the 5k's, equality and the Gurdwara.

**Christianity (Jesus)** - We will explore Jesus in the wilderness, Lent and sacrifice.

This term, there will be a Year 3 Easter performance.
