

Year 1 Autumn Term

English

This term we will be using the texts 'Harry the Happy Mouse', Nursery Rhymes and Cave Baby. After Half Term we will be reading Supertato and a range of non-fiction books about school. We will be focusing on orally composing sentences, using our phonics to help spell words, finger spaces and letter formation.

Geography/History

Geography is learning all about our school environment and using aerial photos and maps to spot changes over time.

Our history will find us learning about how schools were different in the past.

Computing

Our computing work has us looking at technology around us. Focusing on computing skills and networks. We will then move onto digital painting.

PE

Our PE sessions have us focused on the games around baselining our fundamental skills. We will be learning underarm throwing, dance based on a story and putting a sequence of movements together to form a sequence within gymnastics.

Maths

Our maths work will see us working on place value for numbers within 10. This includes counting forwards and backwards, counting objects, comparing and ordering. Then we move onto addition and subtraction within 10 and shape.

RE

Through studying the religion, Christianity, children will explore the question, 'Why do Christians say God is the Father.' Around this we will be looking at the links between our families and the Christian beliefs.

Music

We will be using Charanga to introduce a beat and then add rhythm and pitch to music.

Science

In science we will be learning about materials.

We will begin with learning that all objects are made of one or more materials. Some objects can be made from different objects. The learning will extend to understanding that materials have different properties.

Home Learning

Daily reading, Reading Eggs, Numbots and weekly spelling lists.

Art/DT

For our artwork, we will be looking at the skills of mark making. We will be studying the artist Bridget Riley. DT will have us designing, making and evaluating our use of levers and sliders in making our own moving pictures.

PSHE

We will be learning topics starting with new beginnings, road safety and washing our hands properly. After half term, there will also be a topic on anti-bullying.
