

RSE Topic Delivery Overview

**Please note: Although the Fire Safety module features our young character Deedee, you may find that the lesson content is also suitable for older children.*

During Autumn 2, there is less planned work. This is to reflect the additional activities taking place during December

New Beginnings and Changes are additional units not in OneDecision. They are included to allow you to do bespoke transition work with your class. SEAL materials may be used if required (saved on Staff Shared Drive)

You should plan for approx. 5 weeks per half term. This allows you “free weeks” to address national/local/class based issues. Each session from OneDecision can run over 1-2 weeks as required. Baseline and Summative Assessments activities can be used as stand alone lessons.
