5&6 cycle A	I can administer basic first aid I can apply my knowledge of knot tying I can take the lead on caring for my environment

## Key Information

We ask that the children bring the following kit into school for their autumn term outdoor learning session:

- Waterproof coat
- Waterproof trousers
- Wellies/ walking boots/ extra pair of trainers
- Hat
- Gloves
- Spare socks

We do have additional waterproofs and wellies in school but cannot guarantee that we will have the correct size.

Children can leave their outdoor kit in school if that is preferred.

Please be aware that some of activities may involve getting wet and messy!

## Summer 2024

Over Summer, we developed our survival skills. We built shelters and cooked on our campfire.

We built on our outdoor skills in our enrichment sessions with Commando Dave.

Year 6 applied their outdoor learning skills to their residential trip.
