Attainment

This attainment table displays the percentage of our school pupils who achieved the expected standard at the end of Year 6 and also shows the figures achieved nationally.

Pupil attainment is reported as a scaled score. A pupil's raw score is converted into a scaled score to enable accurate comparisons to be drawn over time. A scaled score of 100 represents the expected standard on the test. If a pupil's scaled score is 110 or more they have achieved a high scaled score. As there is no scaled score system for writing (it is teacher assessed - there is no test) children working above the expected standard attain at the greater depth standard.
